c. You may pay the application, license and examination fees (see table above) with a single check or money order. It is recommended that you pay by check, so that you have ready proof of payment. Checks or money orders should be made payable to **Pearson VUE** and must be submitted with your application packet. Do **NOT** send cash. Please print your name on your check, if it is not pre-printed.

The application portion of the fee is **NOT** refundable. The license fee portion of the payment is refundable in the event of final denial of a license or a request from an applicant to close the application request. In the latter event, you will have to file all documents again, should you subsequently decide to apply for licensure. It will take approximately six (6) weeks after denial or withdrawal for you to receive your refund. For your information, the exam, application and license fee portions of each application method are listed above.

d. Should you need to obtain additional copies of your license to comply with laws and regulations pertaining to displaying your license at each office where you conduct business, you may order a duplicate license for a \$30 fee. Mark the “duplicate licenses” boxes and indicate the number of duplicates needed (maximum of five) on the line provided. Indicate the total amount due for duplicates on the line to the right.

The **Total Due** amount is the fee that must be paid for your DC license to be processed. Your new license fee includes one new license print showing the new effective date and expiration date. A charge of \$65.00 will be imposed for dishonored checks (Public Law 89-208).

DC Asbestos Worker and Asbestos Worker Supervisor licenses expire on July 31st of odd-numbered years. Your initial license will be valid for the balance of the current renewal cycle. You will be mailed a renewal notice (to your address of record) approximately three (3) months before the expiration of your license. Upon completion of the renewal form and payment of the renewal fee, your license will be renewed for a two-year period. You are required by regulation to report all changes of your business or residence address to Pearson VUE on behalf of the Board within five (5) days of the change. Pearson VUE will update the address change in your database record. Requests for address change should be made via a letter. Send the letter to Pearson VUE at the address noted on page 1. Without an updated address, you may not receive your renewal notice.

Section 2. Applicant Name / Demographic Information

Enter your full legal name exactly as it should appear on your license. Due to an amendment to the D.C. laws (DC Law 13-269 – “Child Support and Welfare Reform Compliance Amendment Act of 2000,” effective March 31, 2001), the Department of Consumer and Regulatory Affairs is now required to collect and maintain Social Security Numbers in licensee files. You are required by regulation to report all changes of your business or residence address to Pearson VUE on behalf of the Board within five (5) days of the change. Failure of a license holder to receive a renewal notice does not relieve the holder of the responsibility of renewing the license. Should you fail to advise Pearson VUE of your current addresses, you may not receive your renewal notice.

Section 4C. Preferred Mailing Address

Place an “X” in the appropriate box to indicate your preferred mailing address. This will be the address to which all future licensing documents will be mailed. Regardless of the preferred mailing address you may designate, the address that will appear on your license is your home address.
